

Every V is a volunteer, a cone, and a 22x22 inch sandwich board (white with a fluorescent arrow attached). There will additionally be 25 cones down Steeplechase, guiding the runners to stay on the sidewalk, running towards traffic.

Volunteers will help runners cross at Brandi Circle and Steeplechase to continue, left on Hallie, left on Britni continuing around the U of Britni, then back onto Hallie.

Runners will stay left, turning left on Brandi and following Brandi around to Brian before turning right on Dashelle Run. Runners return to Brandi, then turn left on Steeplechase and head back to Fuentes.

20 cones will be placed along the edge of the road on Brandi Circle, 10 along Hallie Dr, 15 along Dashelle Run, 10 along Brian Lane.

Additionally, cross streets will be marked with Watch for Runners signs: Bailey Loop, Riley Cove, Henke Cove, Beau Lane, Stephen Ct, Brent Blvd, and Kym Way.

We have a bike pacer who will lead out and then circle back until all are off the course. As soon as last participant has cleared an area, the course signs and cones are removed.
