Dear Potential Sponsor,

We are thrilled to announce Susie Fuentes Elementary is working to secure sponsors for its Inaugural Fuentes Race for the Stars 5k and 1mile race to occur September 30, 2017! We need you! Every year the 4th grade works tirelessly to raise enough funds to take 110 students on a three day camping trip to Camp Champions in Marble Falls, Texas. For many of our low-income students, this will be their first and potentially only camping experience. It is one they look forward to, and then treasure, for years.

This camp provides a hands-on connection between classroom learning and the outdoor world. Children learn about themselves, their environment, and their peers while participating in fun and educational outdoor activities. The team building and life experiences that come from these 3 days are invaluable. Please find more information about Camp Champions at www.outdoorschool.com.

Fuentes Elementary is committed to encouraging a healthy lifestyle for students and families. We are so excited that our Race for the Stars can promote the importance of a healthy lifestyle and a love of the outdoors. When you sponsor this event, you show your support for wellness in our community and you help the 4th grade provide scholarships to many families who otherwise wouldn't be able to send their child to Camp Champions.

Don't miss this opportunity to make Race for the Stars a success by sponsoring this great cause. Our organization is a 501c3 so your donations are tax-exempt; all sponsors and donors will receive a receipt of their sponsorship or donation after the event.

This event is open to the public and advertised in the local newspaper and social media networks. Please see the reverse side of this page to see where you can actively support this event and the students and families in our community. The sooner you sign on, the sooner we can incorporate your business information into our marketing. We look forward to hearing from you!
